

Manhattan

As far as occasional chairs go, this one knows how to make a real statement. Loved by our customers and one of our most popular ranges, people quite simply go mad for Manhattan.

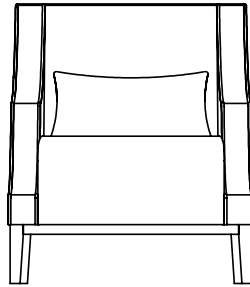

IT'S THE WAY WE MAKE IT THAT MAKES IT MERIDIAN

At Meridian we pride ourselves on creating the highest quality furniture for all our customers. The expertise of our skilled team of Meridian Makers ensures each piece of furniture is lovingly handmade.

Only the finest precision cut frames are used to make our furniture collections. Steel serpentine springs, solid steel clips and the finest quality foam grades are used to ensure superior comfort and durability. And with an extensive range of beautiful fabrics and colours to choose from you will be spoilt for choice.
